REGISTRATION NOTICES

- A. \$75.00 non-refundable registration fee is required for all students.
- B. Deposit of $\frac{1}{2}$ a month's tuition is required for all students. Deposit is credited towards your child's last month at Kinderprep provided all tuition has been paid; your child is leaving for Kindergarten or you have given us two month's written notice. * Please note your child is considered to be enrolled in the program as soon as we receive a registration fee and deposit.
- C. Tuition has been calculated for a 42 week school year. The school year program will run September-June. Kinderprep will run a nine week summer camp, which you will be billed for accordingly.
- D. All tuition payments are due the 1st of each month. If tuition is not paid by the 1st of the month, there will be a \$20.00 late fee as well as an additional \$10.00 fee for every day there after. If the tuition is still not paid by the following Friday, Kinderprep has the right to ask the student to leave until the tuition is paid in full.
- E. Should you withdrawal your child from the program during the school year, we must have two month's written notice or you will forfeit your deposit. Tuition is due at the beginning of the month and you will be billed for the entire last month, regardless of when your child is leaving. We suggest that you plan accordingly, so that your child can make their last day at the end of the month.
- F. I have read the above registration notices and realize my obligation to Kinderprep.
